Dear Parents / Carers

We are very pleased to announce an exciting year group trip, planned for our Year 3 children.

Year 3 will visit the Mount Batten Watersports Activity Centre on Thursday 22nd June to enjoy a day of watersports, including Bellboating and the Great Egg Race (which is a combination of orienteering, engineering and a team challenge).

We have arranged transport to take the children to and from the Centre. Children will come into school as normal in the morning & the coach will be back at Stuart Road for 4.30pm (traffic dependent) for you to collect them.

Your child will need to take a packed lunch and drink with them. They will also require:

- Suitable water shoes
- Normal shoes / trainers
- Suitable clothes that may be splashed with water
- A change of clothes
- A fleece or sweatshirt
- A towel
- Sun hat
- Sun cream
- A waterproof coat

The cost of this activity day is £47.22 Payments can be made for this trip via SchoolMoney. Please pay a deposit of £10.00 by Friday 17th March to secure a place for your child. Full payment must be made by Friday 9th June 2023

A consent form for completion will follow.

Yours sincerely,

Headteacher
