# **Lockdown Policy and Procedures**

## **Rationale**

As part of our Health and Safety policies and procedures the school has a Lockdown Policy.

On very rare occasions it may be necessary to seal off the school so that it is not able to be entered from the outside. This will ensure that pupils, staff and visitors are safe in situations where there is a hazard in the school grounds or outside the school in the near vicinity.

A lockdown is implemented when there is serious security risks of the premises due to, for example, near-by chemical spillage, proximity of dangerous dogs, serious weather conditions or attempted access by unauthorised persons intent in causing harm/damage.

## **NaCTSO (National Counter Terrorism Security Office) \*\*Guidance\*\***

NaCTSO provided the following advice to leaders of schools and other Educational Establishments for Reviewing Protective Security.

### **Bomb threats: Procedures for handling bomb threats**

Most bomb threats are made over the phone and the overwhelming majority are hoaxes, made with the intent of causing alarm and disruption. Any hoax is a crime and, no matter how ridiculous or unconvincing, must be reported to the police.

Be alert, but not alarmed!

On receipt of a "bomb threat" - Dial 999 and police will respond. You should always consider their advice before a decision is taken to close or evacuate.

### **Notification of Lockdown**

Staff will be notified that lock down procedures are to immediately take place on being called with appropriate code. The internal phone system will also be used by office staff who will inform adults by stating 'ATTENTION LOCK DOWN, CODE: This will start with EYFS, then kitchen staff, Year 1 to Year 6.
